Business Model Canvas — Egypt Domestic Tourism App

Vision: Revive Egyptian places in the hearts of Egyptians and the world — whenever anyone wants to go out or travel in Egypt, they think of us first.

8 KEY PARTNERS

- Alcohol-free, family-friendly hotels
- Restaurants and cafés
- Sports clubs and social clubs (no bars)
- Activity and entertainment places
- Tourist sites and attractions
- Ministry of Tourism and Antiquities
- Transportation companies
- Licensed local tour guides
- Payment providers (InstaPay, Fawry, Paymob)
- Travel insurance company
- EgyptAir and Gulf travel agencies
- Influencers and travel content creators
- Sponsors and discount partners (e.g. Waffarha)

7 KEY ACTIVITIES

- Arranging and managing trips and bookings
- Building and maintaining the app (excellent UI/UX)
- Scouting and verifying places — quality and safety checks
- Building and managing partnerships
- Finding sponsors for places, and sponsors for us
- Creating content on Egypt's hidden gems
- Marketing and building client trust
- Customer support

6 KEY RESOURCES

- The app and its technology
- Tech team
- Scouting / R&D team for finding new places
- Database of verified places and content
- Partner network and contracts
- Brand reputation and trust
- Tourism license and Ministry approval

2 VALUE PROPOSITIONS

- Shows Egypt's hidden gems, places and monuments in every governorate, presented with the weight they deserve
- Have fun inside Egypt — no need to travel abroad for a good time
- Planning made easy: just pack your bags, we handle the rest. We buy you time.
- Everything in one trusted place, with a smooth, easy-to-use app
- Family-friendly, alcohol-free experiences
- Putting Egypt in its rightful position

Egyptians

- Fair prices in EGP; destinations they didn't know existed

Gulf tourists

- Arabic-first, halal, family-friendly travel they can trust

Foreign tourists

- Verified places and fixed prices — no scams, no surprises; English support; safe, new memories

Companies (B2B)

- Ready-made employee trips: one booking, one invoice, zero hassle for HR

4 CUSTOMER RELATIONSHIPS

- In-app support in Arabic and English, including during trips
- Ratings and reviews after every trip
- Loyalty points and rewards for repeat travelers
- Personalized trip suggestions
- Dedicated account manager for B2B clients
- Clear refund and cancellation policy

3 CHANNELS

- Social media and paid ads (TikTok, Instagram, Facebook)
- Snapchat for the Gulf audience
- Influencers and creators
- Billboards
- Email marketing
- Word of mouth and referrals
- App Store and Google Play
- Gulf travel agencies and tourism exhibitions
- Cross-promotion in partner venues
- Direct sales to company HR teams

1 CUSTOMER SEGMENTS

- Young Egyptians
- Older Egyptians who are active and able to travel
- Families (adults 18+, including those traveling with children)
- Gulf tourists
- Foreign tourists aged 18+
- Foreigners living in Egypt (expats, international students)
- B2B: companies (employee trips) and universities / student clubs

9 COST STRUCTURE

- Tech costs: tools and software subscriptions, app development and maintenance, servers and hosting
- Wages and salaries
- Marketing and advertising
- Content production (photos, videos)
- Scouting trips by the R&D team
- Payment gateway fees
- Licensing and legal costs

5 REVENUE STREAMS

- Trip sales
- Commission on every booking made through the app (hotels, restaurants, activities, transport)
- Premium subscription (discounts, priority booking, exclusive trips)
- Sponsorship and featured listings for places
- B2B corporate trip packages
- Revenue from partner companies
- In-app ads from relevant brands
