

OUR STRATEGIC CORE

The Golden Circle

01

WHY

People don't always need a new destination; sometimes they need a new experience.

We want to make domestic tourism in Egypt more exciting and give people new reasons to explore and revisit destinations.

02

HOW

By creating personalized trips based on users' interests, mood, budget, and travel companions, so every visit can offer a different experience.

03

WHAT

A mobile app that helps users discover and plan personalized domestic travel experiences across Egypt.
